and we get letters...

Dear Little Lotta,
You are my very favorite character. I like the way you lift up heavy things! My dad can lift heavy things, too, but it's not as much as you can lift. P.S. How much do you weight?
Your friend, Leslie Donohue
Lansing, MI

Dear Leslie,
I'm not sure how much I weight, Leslie, but the last time I tried to weigh myself, the arrow on the scale went around two times before it broke off! Even though I don't know exactly how much I weigh, I do know that I weight more than Little Dot and Harold combined! This morning, Little Dot and Harold asked me to ride on the teeter-totter with them, Leslie, and when I jumped on my end, their end flew up and they got launched up into a tree!
Your friend, Little Lotta

Dear Richie Rich,
I am a very big fan of yours. I have collected many of your books and I am pleased with them all. I was wondering if there are any Harvey back issues available?
Sincerely, Thomas Lindsay
Dothan, AL

Dear Thomas,
It sounds like you have some comic book collection, Thomas, and if your collection is as big as mine, I can understand how easy it is to miss an issue every now and then. In answer to your question, Thomas, Harvey doesn't have any back issues available, but your local comic book store probably does! (Just check your telephone book for the store nearest you!) Another thing you can try, Thomas is trading comic books with your friends! Whenever I can't find a book, I always check and see if Freckles or Pee Wee have a copy! Believe it or not, their collection is even bigger than mine!
Your friend, Richie Rich.

Dear Casper,
I love your comics. I feel sorry for you when you are trying to tidy up the house since the Ghostly Trio always kick you out. I know you get angry—it makes me angry, too! Are you going to put a stop to it?
Yours truly, Sharyl Coppin, age 10
Jamaica, NY

Dear Sharyl,
It's not so bad getting kicked out of the house, Sharyl, since I always turn invisible and sneak back in! When the Ghostly Trio isn't looking, I start working on my chores again! After a while, I have to stop and chuckle, Sharyl! It's really funny watching the Ghostly Trio scratching their heads when they notice that the house looks even cleaner than when I'm not home!
Your Friend, Casper

Dear Baby Huey,
I am 10 years old. I love reading comic books, especially Baby Huey. I love to play games. Say "Hi" to your Papa for me. Your so funny. Your my favorite character. I wish I could meet you. I like the comic when you swallowed the police whistle. Which comic do you like the best.
Your friend, Tina Samson
Miami, Florida

Dear Tina,
I like the one where I swallowed the police whistle too, Tina, except the whistle is still stuck in my tummy! My Pa tried to get the whistle out of me by patting me on the back, but the whistle just got more stuck! Now when I snore, it sounds like a bird whistle. Yesterday I fell asleep outside, Tina, and when I woke up, I had little birds perched all over me!
Your friend, Baby Huey. Dear Hot Stuff,

I love your comics. I started collecting them a couple of years ago when I was visiting my grandma in Long Island. I try so hard not to miss issues, but it's quite hard to get them all since they come out quarterly. I also think you are a cute little devil. Is it possible for me to subscribe to your comic? I can't miss another one. I already missed #8, and my friend just got me #9. I would really like to subscribe! I have other comics, but you are my favorite. P.S. I'm 18!
Love, your #1 fan, Jennifer Lynn Cooper
Grand Gorge, NY

Dear Jennifer,
Little devils are not "cute," Jennifer, they're tough! Princess Charma teased me for a week after she read your letter! She said it was the first time she'd seen someone who had red skin blush! In answer to your question, Jennifer, you can subscribe to my book using the handy dandy subscription form that's in every Harvey comic book. You can get my book if you order the Harvey Collection, and that way you get to meet my pals Baby Huey, Wendy and Spooky too!
Your pal, Hot Stuff
